

One Program. Three Solutions. Higher Values.

PowerON's College & University Technology Trade-In Program offers three turnkey solutions.

- 1 Online:** An online mail back trade-in solution, customized to your branding guidelines.
- 2 In-Store:** Easily create and complete trade-ins for walk-in customers.
- 3 Departmental:** An online web tool used to facilitate campus trade-in at the department level.

Advantages

- Includes Apple and non Apple devices
- Simplified trade-in process
- Quotes valid for 30 days
- Earn 10% commission on each in-store trade-in
- End-to-end logistics process management

Partners

Benefits

- Convert trade-in values into new equipment sales
- “Turnkey” solution - complete program management
- NIST (800-88) and HIPAA compliant data security services
- Proven solution (contracted partner of top manufacturers)
- Completely transparent accounting and payment process
- 24/7 real-time reporting web portal

Launch your trade-in program in less than two weeks!
